

The Present Season Sustainability Project

A workshop in Apple Tree Care and Restoration with Steve Vassallo, Patricia Rockman & Richard Spandlick

For those who believe that maintaining and restoring their trees is beyond them **this workshop will teach you the fundamentals of pruning, general maintenance, restoration of older trees and annual tree care.** The day will include talks and will be hands on using staged workstations to demonstrate the process of restoring an old tree from beginning to end.

Pruning basics for smaller trees, shrubs and evergreens will be covered.

Location: 155837, 7th line (in between 13A and 16C sideroad). We will move at lunch to 605335, 13A sideroad for the remainder of the workshop. Both locations are approximately 10 minutes outside Markdale.

Time: 10am - 3:30 pm (catered lunch included)

Date: Saturday, April 18th 2009 (rain date April 25th)

Fee: \$100.00 per person (non-refundable)

Registration **To register call Steve: 519-924-0809**

Details: or send cheque payable to: Steve Vassallo, 100 St. Arnaud, Eugenia, Ontario, NOC 1EO
Please register by April 10th 2009

This workshop will be limited to a maximum of 16 people.

Handouts will be provided.

Please bring your own pruning shears.

Both the uninitiated and deeply interested will find this workshop very useful.
